

Safety Data Sheets (MSDS)

Online tool utilization guide.

Vehicle Refinishes

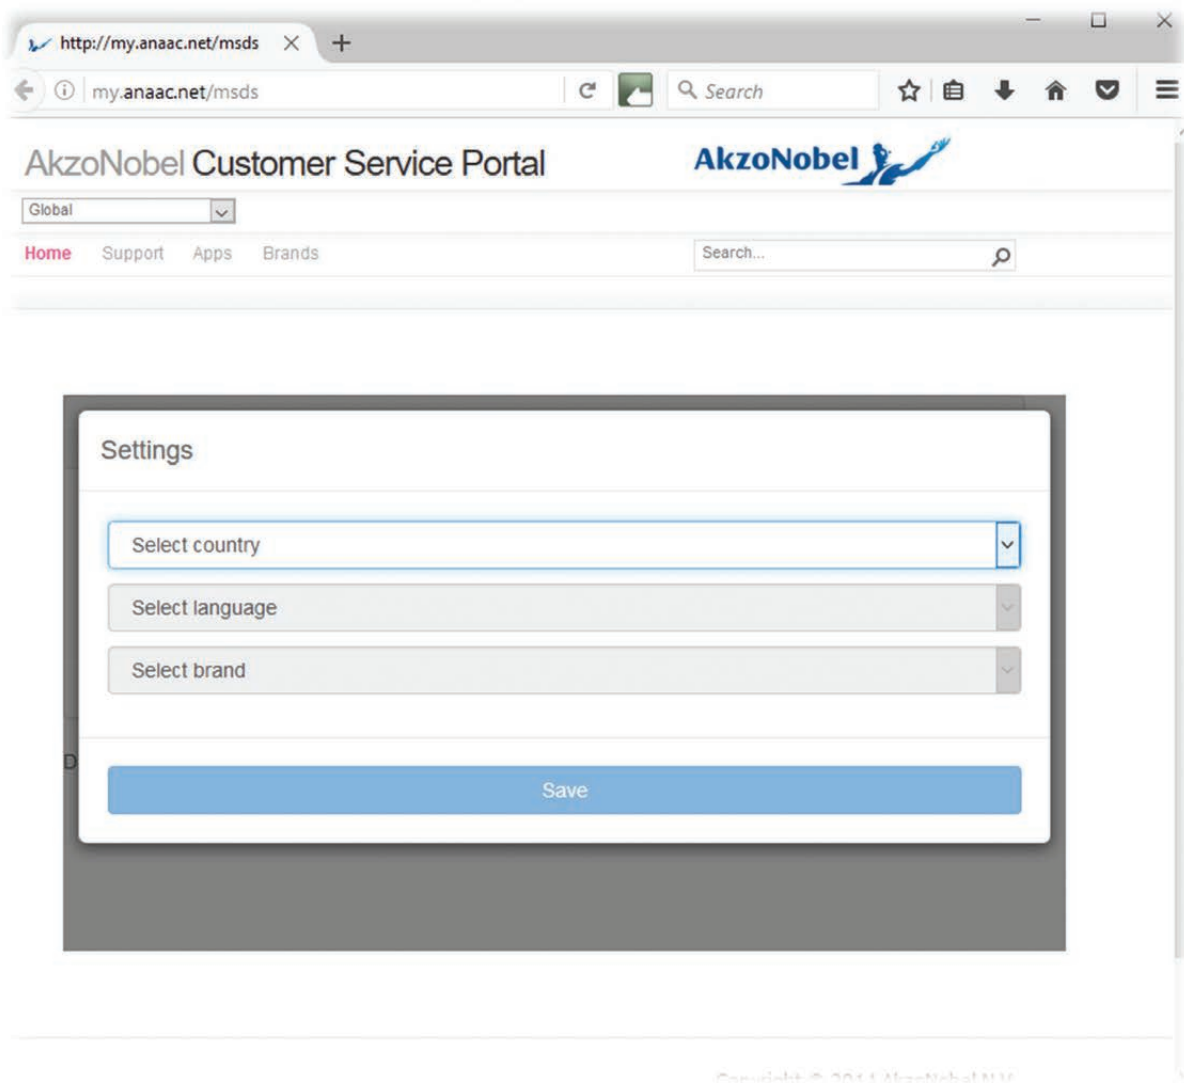

For the optimization and harmonization of the safety data sheets (MSDS) for AkzoNobel products, an online tool was developed to access all MSDS of Wanda, Sikkens and Sikkens Autocoat BT brands.

The access is quick and easy, via the link below:

<http://my.anaac.net/msds>

STEP 1

After accessing the link, the following configuration screen will open:

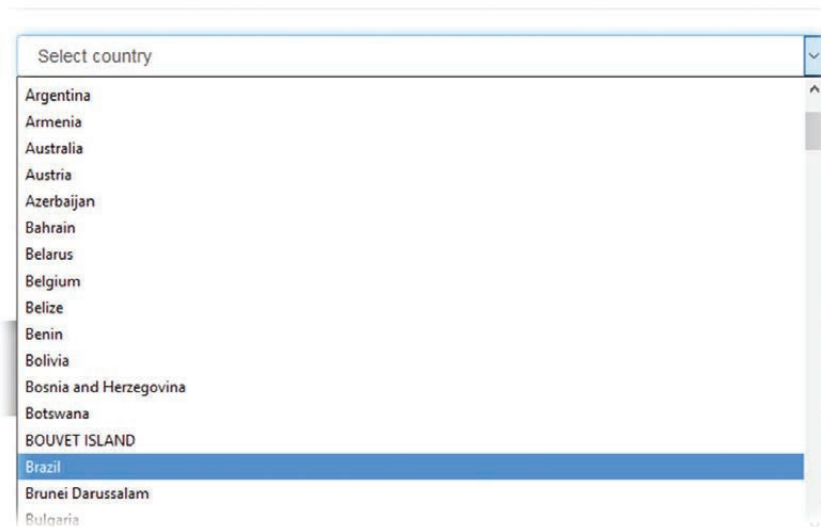

<http://my.anaac.net/msds>

STEP 2

Define the settings, as the pictures below:

A - Select your country:

Settings

A screenshot of a web application's settings page. At the top, the word "Settings" is displayed. Below it is a dropdown menu labeled "Select country". The menu is open, showing a list of countries: Argentina, Armenia, Australia, Austria, Azerbaijan, Bahrain, Belarus, Belgium, Belize, Benin, Bolivia, Bosnia and Herzegovina, Botswana, BOUVET ISLAND, Brazil (highlighted in blue), Brunei Darussalam, and Bulgaria. The "Brazil" option is selected.

B - Select your language:
